

Definitions of ISF-5 Data Elements

(for use with Page & Jones ISF-5 Request Form)

1. Booking Party Name/Address – Name and address of the party who initiates the reservation of the cargo space for the shipment.
2. Ship to Name/Address – Name and address of the first deliver-to party scheduled to physically receive the goods after the goods have been released from Customs custody.
3. Port of Unlading – Port code for the foreign port of unlading at the intended final destination. If the intended final destination is not a port, or if there is no port code associated with the final destination, provide the nearest Schedule K code or UN Location code.
4. Foreign Place of Delivery – City code for the place of delivery. This should be the foreign location where the carrier's responsibility for the transport of the goods terminates.
5. Commodity HTSUS number (required at the line level) – Duty/statistical reporting number under which the article is classified in the HTSUS. The HTSUS number is required to be provided to the 6-digit level. The HTSUS number may be provided up to the 10-digit level. This element is the same as the "H.S. Number" on the CBP Form 3461 and can only be used for entry purposes.
